- Taylor Fox – Secretary
- Marcela Leshner – Member at Large

The second Member at Large position is still being polled due to a tie.

Comments from Fall Workshop

Attendees at Fall 2013 workshop were asked what their interests were for future CORAL meetings. These comments and ideas were discussed and met with enthusiasm by the CORAL officers:

- More frequent and informal meetings
- More professional development
- Split up meetings by topic/area of service rather than general meetings

These ideas will be discussed in greater detail at the next officer's meeting.

CORAL Website

Creating a new website through Wordpress was recommended. The new website should be demonstrated at the 2014 Fall Meeting. Officers briefly discussed what content should be on the website and if there was any sensitive information we would not want available to the public.

Ideas for Fall Meeting & Future Projects

The 2014 Fall Meeting will likely take place during the 1st week in November. We would like to include lunch, a panel, and speakers in addition to the general meeting.

The group also discussed the possibility of having 2 meetings per semester. One would be more general and the other more specific to particular areas of interest. The budget can support affinity groups to meet and report back to CORAL. We can put these reports on the CORAL website to share with everyone.

An officer brought up the idea of print collections and collaborative collection management. This idea was briefly discussed but future discussion is needed.
